Pressurised hollow fibre MF module, 23 m² · Datasheet

Pressurised hollow fibre MF module, 23 m². Theway builds it to the published dimensions and connections of the equipment named under "Theway equivalent of", so it fits the installed system with no change to the tank, frame or piping. Main figures: membrane area 23 m²; dimensions Ø165 × 1,314 mm; membrane PVDF, 0.1 µm.

Module

Type	Pressurised hollow fibre
Membrane	PVDF, 0.1 µm
Membrane area	23 m²
Dimensions	Ø165 × 1,314 mm

Operating limits *

TMP	Maximum 3 bar
pH	1 to 10
Temperature	Maximum 40 °C

* Limits of the equipment this product is built to fit. A project design may set more conservative values.

Brand and model names belong to their owners and are used only to identify the equipment this product is built to fit. Theway Membranes is not connected with those owners. Check dimensions, connections and operating conditions against the installed equipment before replacing it.

Operating guidelines

- Pre-filter the feed as for the original installation.
- Start up gradually and avoid pressure shocks and water hammer during start-up, backwash and cleaning.
- Keep transmembrane pressure within the stated limit; clean when it rises by about 30 % at the same flux.
- Clean in place with cleaners compatible with the stated pH, temperature and chlorine limits.
- Keep modules wet once wetted.

General notes

- Before the first order, one installed module is checked against this sheet: header fixing, nozzle or spigot, and edge profile.
- Pore size, header details and connections are confirmed in the quotation.
- Theway standard limited warranty applies within the stated limits. Operation outside them voids the warranty.

Legal notice

Guidance only. Values are typical and indicative, given in good faith under the stated reference conditions. They are not guaranteed values and not a warranty of performance; actual performance depends on feed water, pretreatment, design, operation and maintenance.

Binding terms. The only binding specification is Theway's written quotation and order acknowledgement. Supply is under Theway's Terms of Sale, which set out the warranty and limit Theway's liability. Except as stated there, Theway gives no warranty, express or implied, including merchantability or fitness for a particular purpose.

No liability for reliance. To the fullest extent permitted by law, Theway accepts no liability for any loss, damage, injury or cost arising from use of or reliance on this datasheet, or from misuse, incorrect installation, modification or use outside the stated limits, and no liability for indirect, incidental, special or consequential loss.

Your responsibility. The user must confirm that the product is suitable and safe for the intended use, including chemical compatibility, potable-water or food-contact requirements and local regulations, and must have it installed and operated by competent persons.

Equivalents and trade marks. "Equivalent" means built by Theway to fit and operate in place of the named equipment, by its published dimensions, connections and ratings. The product is not made, approved or endorsed by the owner of the named equipment, and Theway is not connected with that owner. Fitting it may affect a warranty or service agreement with the original supplier; check before replacing. Brand and model names belong to their owners and are used only for identification.

Changes and versions. Theway may change designs and specifications without notice. This version supersedes all earlier versions; ask for the current version before ordering.
